

Did you know that there is currently a grant available for up to \$5,000 to provide training to your staff??

Jouta is thrilled to announce that your company may be eligible to participate in a unique opportunity that will not only save you money in staff training, but will likely make you money down the road.

"The Ministry of Advanced Education and Labour Market Development has established a new initiative, the **Workplace Training for Innovation Pilot Program** (WTIP). The program is designed to provide funding to eligible employers with less than 50 staff for the employee training of their choice, delivered by the training provider of your choice.

Through WTIP, employers decide on the training and the training provider best suited to assist them to improve productivity, enhance competitiveness, and/or introduce new technology, equipment or work processes. There are hundreds of training options available across the province for employers to choose from, including colleges or private training institutions.

The Ministry of Advanced Education and Labour Market Development has not ore-approved nor endorsed any courses, programs, or training providers with respect to WTIP."
